everybody, but often gets into situations because her desire to help is larger than her capacity to deliver. Aimed for an audience within the 6 to 10-year-old range, episodes focus on the importance of following the rules, using good judgment and learning how to avoid getting into trouble. Since Pearlle was appointed by Fairy Head Quarters (HQ) to keep Jubilee Park in sparkling order, she has constant challenges with her basic goal of keeping everyone happy and making sure the park functions smoothly. Pearlle's nemesis and cousin, Saphira, often takes advantage of Pearlle's good nature which requires that Pearlle must also frequently outwit the park bully. In each episode, Pearlle approaches new tasks and problems with a great deal of enthusiasm, but without the organization required to get the job done. Through plot developments and with the assistance of her friends, Opal and Jasper, she learns what to do and what not to do in each situation so the park can be restored to order.

"QUBO ON NBC" EDUCATIONAL OBJECTIVES

For 3rd Quarter 2011

EDUCATIONAL OBJECTIVES

3rd Quarter 2011 Educational Objectives

In compliance with the Children's Television regulations that became effective January 2, 1997, the **QUBO Programming Block on NBC** features an on-air icon (E/I) indicating that each program is "educational and informational" for children. This icon is displayed throughout each program. Also, in compliance with the regulations, the following document, which includes "educational and informational" objectives of **QUBO on NBC**, must be placed in your public file.

Each of the programs listed below, which make up the **QUBO on NBC** programming block, is specifically designed to serve the *educational and informational* needs of children ages 6-10. All of the programs have educational objectives that are central to the content and appropriate to the program genre.

From July 2, 2011 – September 24, 2011, **QUBO on NBC** aired six shows returning from the 2nd quarter. These are: **Turbo Dogs**, **Shelldon**, **The Magic School Bus**, **Babar**, **Willa's Wild Life**, and **Pearlie**. All six shows were developed specifically for a target audience composed of children 6-10 years of age. Five of the shows are book-based series. Six of the shows focus on important social-emotional messages for the target audience. All educational and informational messages are delivered through an animated narrative format.

"Turbo Dogs" is an animated show based on the books, Racer Dogs, by Bob Kolar. The series follows a group of six dogs from Racerville who love to compete with one another in races. In each story, one or more of the dogs encounter and solve problems that teach them social-emotional lessons on good sportsmanship, teamwork, cooperation, playing fair, and friendship. The show also imparts information on the mechanics of racing such as directionality and concepts of distance and time. The social-emotional messages are embedded through the stories using action and humor. The tags at the end of each episode reiterate and establish the educational message learned by the dogs.

"Shelldon" is an animated series about a school-aged yoka shell mollusk named Shelldon. He lives with his adoptive family, the Clams, in Shell Land, an undersea community populated by all sorts of sea species. Shelldon and his best friends, Connie (a cowrie shell mollusk) and Herman (a hermit crab), face a specific challenge in every episode. The problem may be managing a bully, improving their grades, learning how to be altruistic, or protecting their environment from natural and man-made disasters. In most cases, they rely on Dr. Shell, the most venerated intellectual and elder in Shell Land who teaches them and gives them opportunities to harness their potential and solve the problem. Each episode provides a direct social-emotional lesson and many episodes provide informational content relating to the sea life habitat of Shell Land and environmental conservation.

"The Magic School Bus" is based on a series of children's books about science written by Joanna Cole. The show features the ingenious Ms. Frizzle, an elementary school teacher and intrepid explorer who piles

her students into her Magic School Bus and takes them on amazing field trips to impossible locations. The goal of each field trip is to answer questions or learn many new things about the place the class visits. Each episode is a fact-filled expedition to places as diverse as the solar system, the human body, or even inside weather systems. The bus transforms to suit the environment and the kids freely explore and share their learning with each other and with Ms. Frizzle, who nudges them to “make connections” and answer their own questions with research. The class pet, Lizzie, a large lizard, accompanies the class on their field trips. The content of the show is appropriate for children from ages 7 to 9 and in addition to all the factual content, the children also have a social-emotional problem to solve that is embedded into the story line.

“**Babar**,” based on the books by Laurent de Brunhoff, is an animated show about a young orphaned elephant who finds the strength to rise above the challenges he faces, including the death of his parents, as he journeys through life. Each episode of the show develops a social-emotional message such as taking responsibility, being patient and persistent in hard work, respecting people’s privacy, learning to cope with unforeseen changes, and being honest. These messages emerge from the need to resolve a dilemma that is faced by Babar, one of his friends or family members.

“**Willa’s Wild Life**,” based on the book An Octopus Followed Me Home, by Dan Yaccarino, is an animated series centered on a six-year-old girl and her menagerie of animals. Willa lives at home with her father and pets – an elephant, a giraffe, a pair of performing seals, a bear, penguins, and lots of rabbits. In each episode, Willa faces a challenge at home, in school or in her neighborhood. With her animals and best friend Dooley as key elements of her team, Willa works on solutions to overcome her challenge. Together they find ways to maintain healthy friendships, experience success, develop competence, and become altruistic. With help from her animal friends, Willa figures out how to earn the things she wants by helping others. She learns to appreciate the friends that she has rather than trying to change to fit in with the “cool” group. She realizes that asking questions is better than jumping to conclusions. Whether at school, home or in the neighborhood, Willa finds a way to analyze her situation and learn from experience.

“**Pearlie**” is an animated comedy series based on the children’s book series, Pearlie the Park Fairy by Wendy Harmer. Pearlie is an optimistic, light-hearted fairy who sees the good in everybody, but often gets into situations because her desire to help is larger than her capacity to deliver. Aimed for an audience within the 4- to 8-year-old range, episodes focus on the importance of following the rules, using good judgment and learning how to avoid getting into trouble. Since Pearlie was appointed by Fairy Head Quarters (HQ) to keep Jubilee Park in sparkling order, she has constant challenges with her basic goal of keeping everyone happy and making sure the park functions smoothly. Pearlie’s nemesis and cousin, Saphira, often takes advantage of Pearlie’s good nature which requires that Pearlie must also frequently outwit the park bully. In each episode, Pearlie approaches new tasks and problems with a great deal of enthusiasm, but without the organization required to get the job done. Through plot developments and with the assistance of her friends, Opal and Jasper, she learns what to do and what not to do in each situation so the park can be restored to order.

4th Quarter 2011 Educational Objectives

There are no new shows for the 4th quarter of 2011.

3RD QUARTER 2011 SHOW SUMMARIES

TURBO DOGS is a show about six canine friends—Dash, GT, Clutch, Stinkbert, Strut, and Mags—who have their own distinct characteristics but share a common love of racing cars. The fastest dogs in Racerville, the Turbo Dogs often compete with one another in races. The dogs each have their own racers, which they maintain regularly, and that are equipped with individual GPS systems to help and guide them. Each story begins with one of the Turbo Dogs encountering a problem that must be resolved while preparing to compete. Usually, the Turbo Dog learns his/her lesson through experience and accountability for negative behavior. Social-emotional messages about sportsmanship, teamwork, cooperation, and fairness developed in the story are emphasized in a separate tag at the end of each episode.

SHELLDON is an animated series that takes place in Shell Land, a mythical undersea world populated by characters from a wide array of water-dwelling species. The main character, Shelldon, is an orphaned yoka shell mollusk adopted by the Clam family and living with them in the family-owned Charming Clam Inn. Dr. Shell, an elder and venerated inventor, and Connie, a cowrie shell classmate of Shelldon's also live at the Inn. Shelldon and his buddies, Herman (a hermit crab) and Connie (a cowrie shell), always work together and solve problems that they face in school or in the community. A recurring problem is to staunch the plans of the local millionaire, Cecil Cracken, whose greed puts making money over protecting the environment. Dr. Shell is typically the children's key provider of knowledge and other resources. In each episode, the children learn a significant social-emotional lesson and also share information relating to their ocean habitat and environmental protection.

THE MAGIC SCHOOL BUS is a show that features the most adventuresome teacher on the planet, Ms. Frizzle, and her group of students who dutifully follow her approach to education—by taking magical field trips to learn about anything that interests her or them. All the students are curious, but with each one, there is often a personal problem that needs solving and the field trip has a way of dovetailing with the personal challenge to get everything all worked out. The class has been on 52 field trips, traveling in a magic bus that can transform its shape and power source, so it can travel through any environment, from the bottom of the ocean to outermost space. Ms. Frizzle can handle it all, from driving the bus, navigating unfamiliar terrain, to guiding the children's learning through inquiry. She is undeterred and rarely discouraged and expects no less from her students. Ms. Frizzle is amazingly understanding and permissive in her approach and the children are ambitiously curious about the world as a result. It's not just the bus that's magic.

BABAR, based on the books by Laurent de Brunhoff, is an animated show about a young orphaned elephant who finds the strength to rise above the challenges he faces, including the death of his parents, as he journeys through life. Each episode of the show develops a social-emotional message such as taking responsibility, being patient and persistent in hard work, respecting people's privacy, learning to cope with unforeseen changes, and being honest. These messages emerge from the need to resolve a dilemma that is faced by Babar, one of his friends or family members.

WILLA'S WILD LIFE is an animated series featuring a six-year-old girl, Willa, who is permitted to share her home with an ever-growing menagerie of animals-- an elephant, a giraffe, a pair of performing seals, a bear, three penguins, and lots of rabbits. These creatures speak to Willa, offering her advice and friendship from each of their respective points of view. In each episode, Willa faces a challenge at home, in school or in her neighborhood. Her animals and best friend Dooley help her develop solutions to overcome each challenge. With the support of Dooley, the animals and praise from her dad, Willa finds ways to maintain healthy friendships, experience success, develop competence, and become altruistic.

PEARLIE recounts the weekly escapades of an optimistic, amiable fairy who has been appointed by Fairy HQ to maintain order in Jubilee Park. She lives among a dozen assorted characters, including her fairy best friends, Opal and Jasper, a garden elf, a wood nymph, possum, bats, other fairies, rats, a small colony of fleas, a lizard and her arch-rival, Saphira, who is also her fairy cousin. While Pearlle is very likable, she is a bit of a busy-body who likes to arrange things according to over-ambitious plans that ultimately get her in trouble. She gets along with everyone so, ultimately, every problem is solved and Pearlle learns a lesson. However, her greatest challenges are usually presented by her one enemy, the bully and diva, Saphira. Fortunately, Pearlle rises to Saphira's challenges, not with meanness, but by outwitting her. Overall, learning is a constant process for Pearlle because she has big responsibilities, taking care of an entire little community, but she is indomitable and tenacious and ends up preserving order and happiness in Jubilee Park.

TURBO DOGS

BEST BUDS FOREVER [TDO124]

Rock Rally arrives in town for the celebrity race and everyone is acting star-struck. Dash was Rock's stunt-dog in his last movie and he asks him to come along to try out his new roadster on the track before the big race. Rock says he has "important movie star errands to do" and recruits Dash to help tune up his roadster, leaving little time for Dash to do his own car. When Rock doesn't come back to help like he promised, GT and Mags help Dash finish his car in time for the race. During the race, Rock takes the tips Dash gave him and uses them against GT and Mags to run them off the road so he can win. Dash confronts him about being a bad friend but realizes that he was just as bad a friend to GT and Mags. Rock apologizes for the way he treated Dash and offers to take the Turbo Dogs for a ride in the roadster to make it up to them.

[Educational Message: When you get new friends don't get so caught up trying to impress them that you forget about your old friends.]

She's done so well, they offer her an opportunity to join the Aces as the fourth member. Mags has some time to make up her mind but if she decides to become an Ace, she would have to leave Racerville and travel the world. Instead of being happy for her opportunity, Dash and the Turbo Dogs are more upset about her leaving them and Racerville forever. Mags does an amazing job during the stunt show but she realizes that her home is in Racerville and her true passion is racing, not stunt-driving. The Turbo Dogs were ready to support her decision to leave, but they are very excited she decided to stay in Racerville.

First, he woos Connie by telling her this idea will make her famous. Then he charges people a fee to perform a favor. But there is also a penalty fee if you are not able to perform favors for others. As a result, the town is in chaos with people fighting over who gets to do a favor for someone else. Shelldon and Herman tell Connie, and when she starts a commercial to make Cracken the new Mayor, she tells Shell Land that they need to pass their favors on to one stingy, rich guy, Cecil Cracken. They all go and fix up his mansion. Now he owes tons of favors to others or will have to pay millions of sand-dollars in penalties.

Willa, whose first feature on her animals is quite boring, gets the bright idea to exaggerate the abilities of her animals in order to create exciting entertainment. She sets up shots and tells little lies about what the animals are doing. After a while, the animals rebel and refuse to continue the false reporting. When people, including Willa's teacher, come from all over to see the fantastic animals the pressure is on Willa to admit the truth. At her next show, Willa tells everyone she's done her last report. She is sorry others don't find the animals as interesting as she does, but she'd rather tell the truth.

[Educational Message: It is always best to tell the truth. When you tell one little lie, you may end up telling a lot of other lies to make an even bigger impression. When the lies get out of control, you end up having to tell the truth and being very embarrassed.]

WILLA'S JOURNAL [WIL013]

Willa gets a journal from her father but doesn't know what to do with it. When her dad explains it's for recording memorable moments, she thinks it is a great gift. Unknown to Willa, the animals anticipate that she will write stories about them. They begin performing tricks and doing all sorts of special things so they can be included in her most memorable moments. But when they go over the top and ruin Dad's rest in the hammock, Willa confronts them about their behavior. They explain they just wanted to be in the journal; Willa tells them that they don't have to do anything special to be in the journal. She has figured out just being together is special and having them as friends is special. And that is good enough to be included in her journal.
